**THREE GREENBERG GROSS PARTNERS SELECTED FOR INCLUSION IN THE
BEST LAWYERS IN AMERICA**

COSTA MESA (August 18, 2015) — Three partners with litigation boutique Greenberg Gross LLP — founders Alan A. Greenberg and Wayne R. Gross and new partner Michael I. Katz — have been selected for inclusion in *The Best Lawyers in America*© 2016. Greenberg was selected for his work in Commercial Litigation, Gross in the practice area of White-Collar Criminal Defense and Katz for Intellectual Property Litigation.

“We are honored to be selected for inclusion in *Best Lawyers* again,” Greenberg said. “That our peers deem us to be among the best at what we do is extremely gratifying.”

With an impressive client list of public companies, prominent law firms, nonprofit organizations and high-level executives, the rapidly growing Orange County litigation firm also is ranked in the 2015 edition of “Best Law Firms” by U.S. News Media Group in the practice areas of Commercial Litigation and White-Collar Defense.

In the two years since its April 2013 founding, Greenberg & Gross LLP has won many victories. Among them are a \$3 million verdict on a cross-complaint for a company sued by its former CEO, another seven-figure jury verdict for a client defrauded out of his share of the \$43 million sale of a chain of dialysis centers, dismissals of class actions involving employment and an allegedly defective product, a defense jury verdict for a company sued for alleged fraud and breach of contract, and a defense verdict in a bench trial of a securities fraud case.

Prior to forming their law firm, founding partners Alan Greenberg and Wayne Gross grabbed national headlines for winning a \$50 million jury verdict in a partnership dispute regarding iconic Hollywood properties, including the world-famous Hollywood Palladium.

The pair have been included in *The Best Lawyers in America* several times before. The 2016 edition marks Greenberg's fourth appearance in the select listing and Gross's sixth.

Greenberg Gross LLP is headquartered on the 17th floor of the Center Tower building in Costa Mesa. Since its formation, the firm has grown to 13 lawyers, with two more joining in September, all representing both plaintiffs and defendants in high-stakes business cases.

Best Lawyers® is the oldest and most respected peer-review publication in the legal profession. Attorneys are listed solely on the basis of peer nominations and confidential surveys of leading attorneys about the professional abilities of their colleagues within the same region and practice areas. Lawyers are not allowed to pay a fee to be listed. For the 2016 Edition of *The Best Lawyers in America*, 6.7 million votes were cast and analyzed.
